FortéEMR

FortéEMR will change the way of your practice, but with a purpose! Change is not always an easy thing to consider, especially as practices have systems in place they are familiar with. FortéEMR will help to streamline the office while improving efficiency. Eliminate needless time being spent on handwriting your daily notes, typing up long reports, or spending extra time on nights and weekends. Gain the peace of mind knowing your treatment documentation will be safe and secure and in one place. Utilizing an EMR will become a necessity before long. Keep your practice a step ahead, while being better prepared to face the challenges facing the Chiropractic profession today.

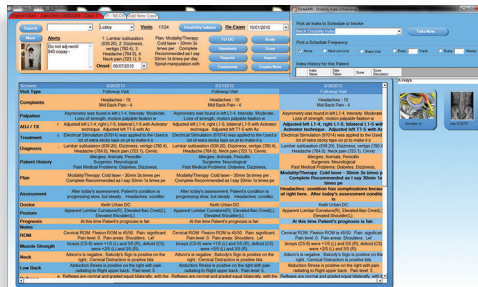

FortéEMR - Your Practice. Your Software. Full Function Electronic Medical Records.
